I.

I cry. Are you there?
Making sure that I'm content.
Fine now. I trust you.

II.

I wander away.
Climb kitchen counters. Who's there?
Mom? Giggle. I'm free.

III.

What's my job? I'll help.
Dinnertime. I'll scrub veggies.
See. Purpose. Let's play.

IV.

How do I spell school?
Stroll by. There's my soccer team.
Sing with me. I'll learn.

V.

Blooming body now.
Friends trump family. Wait. Why'd
He leave? Who am I?

VI.

I found a career.
My voice CAN make a difference
Parents far away

VII.

Paused a moment.
Found my soul mate. Kids need me.
Remodel the house.

VIII.

Running ev'rywhere.
Oozing creativity.
Reflect. Pass down Joy.

IX.

I'm thirsty for calm.
Fine mind. Happy souls surround.
Grim at bay- today.
